Beautification Award

The recipient of the Branson's Tree Board August Beautification Award was the Arvest Bank located on the corner of State Highway 248 and Gretna Road. They have been working with Tim Yoder of Yoder Landscapes to beautify their property and were elated to receive this award and recognition. Over the last five years they have overcome rocky soils, limited organic matter and difficult summer conditions.

Their result is proof that with some effort and commitment, any property can be transformed.

The beautification awards are presented on a monthly basis between April and October. The criteria for nominations are:

- A commercial property located within the Branson city limits
- Landscaped area must be highly visible to the general public
