

Sign Permits

A permit for the construction, installation or repair of all signs shall be obtained from the planning and development department after the payment of the following fees: Fees for sign permits shall be calculated at the rate of \$25.00 for the first \$1,000.00 in construction costs, plus an additional \$4.25 per \$1,000.00 of additional construction costs above the first \$1,000.00.

Please note: No money is due for a sign permit until the permit has been approved.
