Sunset Road to Close Aug. 13 – Dec. 15

BRANSON, Mo – The City of Branson Public Works/Engineering Department will close Sunset Road beginning Monday, August 13, 2018 and will continue through December 15, 2018 for lift station improvements. Crews will be working during daytime hours to make planned improvements to Lift Station #5.

These improvements are needed to reduce lift station down time during future high water events. Residents living in the neighborhood and other motorists who use this road should be aware of the road closure. Detour signage will be in place to

direct traffic around the closure using the parking lot of Alexander Park. Attached, you will find a detour map of the Sunset Park area. Motorists are advised to use caution when traveling through work zones.
